

# Tortoise George

By Neil Irani

George is a tortoise who lives in the woods with mice, ladybirds, spiders and flies.

Advance Information for "Tortoise George"

# Tortoise George

By Neil Irani

## Book

George is a tortoise who walks very slowly. A naughty mouse appears and they walk through the woods together looking for something to eat. But the mouse is impatient and greedy. Tortoise George eventually catches up with the mouse, but events take a turn for the worse for the mouse.

The book contains several counting games (spiders, cheese etc) as well as a colouring-in page.

## Author & Illustrator

Neil Irani is a writer/designer with a creative and business background having worked in London, Sydney, Paris and New York. Neil owns Smallfish Books and will be publishing more new titles in 2010.
